Depending from which direction you are entering **Oaxaca**, look either for the

STADIUM or the **VOLKSWAGEN** dealer

Both are located on the main road passing through Oaxaca (**Calzados Niños Heroes**). When you see either one, turn into **Heroico Colegio Militar** and follow it till you reach the roundabout. After approx. **1,1 km** you see a **Soriana** Supermarket to your right. keep going. When you enter the roundabout, take the **3rd EXIT** and enter into **Av. Mexico 68**. Follow that road till you reach another roundabout and take the **1st EXIT** into **Calzada San Felipe del Agua**. Now you only have to stay on that road which changes its name to **Miguel Hidalgo** after a while.

When you enter San Felipe you will see a **PITICO** supermarket to your right – keep going

All campers

After another **800 m** you reach the point, where all campers **up to 23 feet** have to turn left into **Agustin del Iturbide**. Look for a blue sign to your left saying **HOSTAL**. On the right you can see the church. **You, with your big rig keep going**

All campers

Just stay on the road. When you reach the fork, stay on the right and keep going

After approx. **600 m** you will see the turnaround for the buses. You turn left here.

All campers

After you have taken the left turn, you will see this sign

Keep on going for another **800 m** before you have to **turn left again**. You will pass a **bridge** and drive up on a curvy road till you either see the **big white building** on the left hand side (it has a tennis court and flood lights) or that sign on the opposite side at the foot of the hill.

All campers

Here turn left onto the gravel road (they are currently working on that road so it may be paved the time you show up) Well you are almost there, just stay on that road for another **600 m** till you see the entrance of the **San Felipe Campground on your right hand side**

¡Ring the bell and wait for service!
